## Stewardship Reflection

*April 11, 2021 - Divine Mercy Sunday*

*"The community of believers was of one heart and mind, and no one claimed that any of his possessions was his own..." - Acts 4:32*

All that we are and all that we have is a gift from God! Think of your family, your friends, your life, your talents and your money – these are all gifts from God! We aren't really owners of anything, we are merely "stewards" of the gifts God has blessed us with. We are called to be grateful and generous with all of our gifts for the benefit of others.

**In Service worship is prohibited until further notice. Please find us online on Facebook. The church is open for private prayer until 5 pm daily.**

**Exposition of the Blessed Sacrament will be held each Friday from 10 am to 12 noon. Please consider spending some time with our Lord during this very difficult time.**

### **Laudato Si' Five Years Later: An Intensifying Call to Ecological Conversion and Fraternity**

Join us for an evening online with Sister Damien Marie Savino, FSE, the Dean of Science and Sustainability at Aquinas College in Michigan, as she reflects on the Special Anniversary Year of Laudato Si' (On Care for Our Common Home). What new opportunities for ecological conversion and fraternity is the Catholic Church calling forth for us as individuals and a global community?

**Speaker: Sr. Damien Marie Savino, FSE, PhD**

Sister Damien Marie Savino, FSE, Ph.D., is a Franciscan Sister of the Eucharist and currently serves as the Dean of Science and Sustainability at Aquinas College in Grand Rapids, Michigan. In this position she oversees the Biology, Chemistry, Physics, Geography and Environmental Studies departments and the college's Center for Sustainability.

Sister Damien Marie received her Bachelor of Science degree in Biogeography from McGill University, her Master of Science degree in Soil and Plant Science from University of Connecticut, her Master of Arts degree in Theology from The Catholic University of America and her Ph.D. degree in Civil (Environmental) Engineering from The Catholic University of America. She has lectured and written widely on Laudato Si' and creation care, as well as on themes related to ecological restoration and resilience theory, ecological health, ecology and theology, and science and faith.
