We, the Catholic community of St. Anthony of Padua, relying on the wisdom and the grace of God, unite ourselves to the call for renewal and transformation of our spiritual, social and economic life.

5th Sunday in Ordinary Time February 5, 2023

"Light is to darkness,
what love is to fear; in
the presence of one,
the other disappears."

How do we loose the bonds of injustice? St. Paul invites us not to focus on lofty words or wisdom but instead to focus on Christ crucified. We are reminded of St. Theresa of Calcutta's advice to do "small things with great love." A light that shines in the darkness though small is seen at great distances.

Stewardship Reflection

"Let your light shine before others, that they may see your good works and give glory to your Father who is in heaven."
MATTHEW 5:16

The generosity of being a good steward of your gifts has a positive effect on people and it is contagious! Good works encourages more good works. Generosity is a by-product of a grateful lifestyle. The more we recognize God's gifts, the more we want to share them. Good stewards recognize that God is working through them and they don't put themselves above the people they have been called to help.

In an attempt to annoy me, my daughter has started repeating everything I say. Rather than taking the bait and getting frustrated, I've just started reciting the Nicene Creed. I call this copycatechesis.
