Stewardship Reflection

Whoever wishes to come after me must deny himself, take up his cross, and follow me. Mark 8:34

Living a stewardship lifestyle means not only being responsible for my own life, but for the lives of others as well. We realize that our gifts are not intended for ourselves, rather they are meant to be shared with others. "Taking up my cross" means doing things when someone else needs me and not when it's convenient for me.

We, the Catholic community of St. Anthony of Padua, relying on the wisdom and grace of God, unite ourselves to the call for renewal and transformation of our spiritual, social, and economic life.

In God's Image: Human Formation in Our Parishes

In God's Image is a study day for parish leaders who desire to learn what we mean by "human formation" and why it is important to foster in our own lives and in the lives of those we serve.

Sister John Mary Sullivan, Jody Garneau, Kevin Bredeman and Jane Waldock will give an overview of human formation, its benefits for parish ministry and hands-on experience with different methods of formation that help meet the many challenges of serving in today's parish communities

The study day will be held on Saturday, September 21, from 9:00 a.m. to 4:30 p.m. at St. Matthew's Parish Centre in Surrey. The presentation will be preceded by Mass. Cost is \$25 per registrant, with refreshments and light lunch provided. **Registration deadline: Monday, September 16.** Learn more and register at beholdvancouver.org/events.

RITE OF CHRISTIAN INITIATION OF ADULTS

Would you like to know more about our faith and becoming a Catholic? **Our classes will commence in September.** For more information, please see Fr. Dennis or inquire at the Parish Office.

The Thrift Store donated all of the proceeds from the sales on the last Friday of August to the *Lets'emot* Regional Recreation & Aquatic Centre

Mayor Sylvia Pranger recently reported at the District Council Meeting of the \$3,000 that was donated.

She extended her heartfelt thanks to *St. Anthony's* for being such good corporate community citizens!

Congratulations Team!!!

Making Sense of Anxiety in Children and Youth

The escalating level of anxiety in our children begs for an explanation as well as a solution. Dr. Gordon Neufeld sheds light on this age-old problem, paving the way for natural interventions that can actually get to the root causes instead of just managing symptoms. Although the focus is on children, this enlightening material will benefit anyone suffering from anxiety.

Dr. Neufeld's revolutionary yet science-specific approach turns parenting right-side-up, restoring natural intuition to parenting and putting parents back in the driver's seat. This video course takes the best that science offers and renders it readily accessible to parents of children of all ages.

Every Tuesday, from September 17 until October 15, from 7:30 p.m. to 9:00 p.m. via Zoom. The cost is \$25. Learn more at beholdvancouver.org/events.
