Stewardship Reflection October 27, 2024

“And Jesus said to him, ‘Go your way; your faith has made you well.’ And immediately he received his sight and followed him on the way.” Mark 10:52

Faith is believing in something even though you may not be able to physically see it. Many people think that miracles don't happen anymore. This is hard, but try to focus on the positive and not the negative things in your life. When you focus on your blessings instead of your hardships, miracles will seem common. You will see God's active presence in your daily life. You will begin to develop an attitude of gratitude.

Create Hope 2024 Fall Campaign, "Reaping Our Rights"

How can you cultivate your land when a mining or oil company sets up nearby polluting the environment and trampling on your rights? Canadian companies have a responsibility to prevent, report and remedy human rights and environmental abuses across their global supply chains and give victims access to justice in Canadian courts. Workshops offered on Saturday, November 2 and Saturday, November 16 at St. Joseph's Parish, Langley.

Your heart is held in God's hand of mercy.
God will never abandon you even if you are troubled and in anguish. You never want to leave God when you are feeling sad and bitter. Instead call out to our Lord and our Lady, who never stops loving you. God's goodness with its gentle strength comes to our aid if we accept the needed help.

There will be a Mass here on Saturday, November 2nd at 9 am. Following the Mass, we will go to our local cemetery to visit our friends and loved ones.
